18) The Bangalore City Municipal Council have resolved on 4-9-1948 to give a duty allowance of Rs 100/- p m to Sri G Krishnaswamy, B E , Executive Engineer of the Municipality, with effect from 13-5-1948 This recommendation is based on the sanction accorded to the payment of a similar allowance to Sri Biligiri Rao, the previous Municipal Engineer in the Government Order dated 7-10-47 From the reference file on the subject, it is seen that the circumstances under which the latter was granted the allowance are different from those of the case under consideration Prior to his transfer to Bangalore City, Sri Biligiri Rao was posted to the Cement Concrete Division and if he had joined duty there, he was entitled to an addition of Rs 250/-, in the shape of T A and construction allowance, to his emoluments But as his services were required by the Municipality, the above arrangement was cancelled and he was posted to the Municipality In consideration of the loss sustained by him, it was though necessary to reimburse the loss to him and a duty allowance of Rs 100/- was sanctioned to him

19) Again, it is seen that Sri Biligiri Rao was a highly Senior Officer of the P W D (he became an Executiv Engineer on 29-5-46) and was transferred to the Municipality while he was in the run for a Superintending Engineer's post He is now a Superintending Engineer Sri G Krishnaswamy is comparatively a junior officer of the P W D promoted as Executive Engineer in February 194 and he has not suffered in any way by his transfer to the Municipality In view of these facts there is no justification for the grant of a duty allowance to the present incumbent of the post

20) The Municipal Council have also passed another resolution on 5-10-1948 recommending the payment of a duty allowance - in addition to the conveyance allowance they are already drawing -as noted in the margin to the several officers The payment of the duty allowance is based on the ground that the work of these officers in the

Municipality is of an arduous nature and their responsibility in the discharge of ~~their~~ duties is also very heavy It is regretted that it is difficult to concede any of these points These officers do ~~not~~ no more work in the Municipality than what they were doing in their particular departments There are similar officers drawn from the Revenue, Health and P W D Departments in the City Municipalities of Mysore & Davangere They are not also given any such allowance The grant of any allowance in this case would create an inconvenient precedent which should be avoided Moreover, whenever an officer of the ~~General~~ grade of ~~the~~ Deputy Commissioner is posted as Secretary to Government in the Secretariat, no duty allowance is given (except the Secretariat allowance), ~~that too~~ recently sanctioned) There is no reason why, in this regard, any differentiation should be made in expenditure between the funds of the Government and the local body whose financial condition is in no way satisfactory No invidious distinction need therefore be made in regard to the grant of the allowance between the several officers and the resolution of the Bangalore City Municipal Council in this behalf ~~may be rescinded~~

Subject Grant of Duty allowance to certain officers of the Bangalore City Municipality.

The Bangalore City Municipal Council resolved on the 4th September 1948 to give a duty allowance of Rs.100/- per mensem to Sri.G.Irasimhaiah, B. E., Executive Engineer of the Municipality with effect from the date of his joining duty, viz., 19th May 1948. This recommendation was based on the sanction accorded in Government Order No.L.10118-71/ M.L.11-46-186 dated the 7th October 1947 to the payment of a similar allowance to Sri.Ismail Nasir's predecessor, Sri.Biligiri Rao, who was granted the allowance on the ground that he was a Senior Officer and also suffered in emoluments by his transfer to the Municipality.

2. When the matter was referred to the Financial Secretary to Government for opinion, he said that it was a question for consideration whether the present hard times for the Government do not constitute a justification for the abolition of this allowance now, and invited reference to his note dated 21st August 1947 in the Municipal file No.11 of 46 Serial Nos.185-86 wherein he had disagreed with the proposal to grant the allowance to Sri.Biligiri Rao.

3. It is seen however from the file relating to the grant of allowance to Sri.Biligiri Rao that the circumstances under which he was granted the allowance were different from those of the case under consideration. Prior to his transfer to the Municipality, Sri.Biligiri Rao was posted to the Central Corrective Division and if he had joined duty there, he would have drawn an additional allowance of Rs.250/- in the shape of travelling allowance and construction allowance. But as his services were required by the Municipality, the above arrangement was cancelled and he was posted to the Municipality. In consideration of the loss sustained by him, Government considered it necessary to reimburse the loss to him and they, accordingly, sanctioned the duty allowance of Rs.100/- per mensem. Further, Sri.Biligiri Rao was a highly qual

City would lead to an unhealthy precedent. It is also necessary to see that no differentiation is made between the funds of the Government and those of local bodies whose financial condition is in no way satisfactory.

8. As the Dewan has ordered that this question may be considered at a meeting of the Council, this note is circulated to the Ministers.

9. The points for consideration and orders are:-

i) Grant of a duty allowance of Rs.100/- per mensem to Sri.G.Krishnaraj, Executive Engineer, Bangalore City Municipality with effect from the date of his joining duty in the Municipality viz., 13th May '48 as was given to his predecessor Sri.Biligiri Rao; and

ii) Grant of duty allowance to the six other Officers viz., Municipal Commissioner, the Health Officer, the three Assistant Engineers and the Licencing Officer of this Municipality as set forth in para 4 supra.

K Chengalaraya Reddy

CHIEF MINISTER

Bangalore,
30th August 1949

Final note by the Minister for City Municipalities & Muzrai

Subject - Grant of Duty Allowance to certain officers of the Bangalore City Municipality

The Bangalore City Municipal Council resolved on the 4th September 1948 to give a duty allowance of Rs.100/- per mensem to Sri G Krishnaswamy, B E , Executive Engineer of the Municipality, with effect from the date of his joining duty viz , 13th May 1948 based on the sanction accorded in Government Order No L 10118-21/M1 11-46-186 dated 7th October 1947 to the payment of a similar allowance to his predecessor, Sri Biligiri Rao

2 When the matter was referred to the Financial Secretary to Government for opinion, he invited reference to his note on the previous occasion, wherein he had disagreed with the proposal to grant the allowance to Sri Biligiri Rao himself, and raised the point as to whether the present hard times for the Government did not constitute a justification for the abolition of this allowance now

3 While this question was being considered, the Bangalore City Municipal Council sent up another resolution passed on the 5th October 1948 proposing the payment of duty allowance (in addition to the conveyance allowance now drawn) to the Municipal Commissioner, the Health Officer, the three Assistant Engineers, and the Licensing Officer at the rates and with effect from the dates, noted against each -

a) Municipal Commissioner Rs.100/- per mensem with effect from the date of his joining duty in the Municipality

b) Health Officer Rs 100/- ,, with effect from 1st July 1948

c) Three Assistant Engineers Rs.50/-each per mensem, from the date of joining duty to the new Assistant Engineer and from 1st July 1948 to the other two

) Licensing Officer Rs 75/- per mensem with effect from 1st July 1948

4 The reasons urged for the above recommendation are that the work of these officers is of an arduous nature in the Municipality and their responsibility in the discharge of their duties is heavy

5 The Financial Secretary to Government, who was consulted on the above proposal again, has reiterated his previous opinion in the matter of the grant of such allowances

6 The question was discussed at a Meeting of the Council of Ministers held on the 21st July 1949, when the following opinion was recorded

> "The resolution of the Bangalore City Municipality regarding grant of duty allowance to certain officers of the Municipality is accepted by Council, i e , Municipal Commissioner Rs.100 per month, Health Officer Rs 100, three Assistant Engineers Rs 50 a month and Licensing Officer Rs.75/- a month "

7 In the above opinion of the Council, the allowance to the Municipal Engineer of Rs 100/- per mensem was omitted by an oversight and the question was again brought before the Council on 17th August 1949 for further consideration, when it was opined as follows -

> "A duty allowance of Rs.100/- to the Executive Engineer may be sanctioned from the date of joining duty, that is, 13-5-1948 "

8 I solicit the gracious approval of His Highness to the above opinions dated 21st July 1949 and 17th August 1949 of the Council

Resolution - APPROVED

Dr C A Rama Setty wanted to know the ground for paying duty allowance and whether there were any others in the services of the Municipality to whom such an allowance had to be paid

The Commissioner replied that the duty allowance was paid for the additional duties entrusted to them in accordance with the M S R

Sm. Annapurnamma suggested that similar grant should be extended to all the Executive officers of the Municipality

M/s T T Sharma, G Nanjappa and S M Munivenkatappa observed that the policy followed in respect of granting duty allowance was not satisfactory The Municipality should adopt a policy in respect of granting such allowances

Subject - DUTY ALLOWANCE

I have the honour to state that my predecessor Mr S Biligiri Rao was drawing a duty allowance of Rs 100/- per month in addition to the Conveyance Allowance of Rs 100/- vide G O No L 10118-124/M 11-46-186 dated 7-10-47 (copy enclosed) The basis on which he was granted the Duty allowance of Rs 100/- was that he would have been drawing Travelling Allowance of Rs 200/- per mensem if he had joined the Cement Concrete Division What applied to Mr S Biligiri Rao, is applicable to me also as the same allowance of Rs 200/- per mensem would have been drawn by me if I were posted to the charge of any Division in the Public Works Department

In this connection I may be permitted to state that I have to do the same work and share the same responsibility as my predecessor and in all justification the Duty Allowance must be made applicable to any incumbent that holds the office I may also state that my colleagues in other departments in the same City are also given the allowance e g , the Engineer Officer of the Bangalore City Improvement Trust Board The jurisdiction and magnitude of the work to be done by the Municipal Executive Engineer is as much if not more than those of the other officer

It is needless to mention that any officer that is newly transferred to this place is greatly handicapped to find accommodation If I were transferred to a mofusal district I would get Government Quarters and I need have to pay house rent equal to 10% of my salary or 7% of the capital cost of the building whichever is less In this place I have to pay at least more than double that amount You will therefore kindly appreciate my predicament and redress the hardship

In view of the aforesaid circumstances and in view of the fact that I am financially hit very hard I request you kindly to recommend this deserving case to the Municipal Council and obtain and communicate sanction to draw the Duty Allowance from the date of my joining duty in the Municipality

OFFICE NOTE

The Licensing Officer of this Municipality Sri N N Keshava Murthy has applied for the grant of a duty allowance of Rs 100/- p m in view of the fact that his office is an independent unit and he has to work all over the City and that if he had continued in the regular line of Assistant Engineer his emoluments would have been more than what he is getting now

I wish to mention in this connection that the ground for granting a duty allowance to an officer is the special arduous nature of his duties or of increased work or responsibility in the discharge of the duties (vide article 15 M S R)

If this principle is adopted for granting duty allowance I must say in all fairness that all the Officers of the Municipality viz , Municipal Commissioner, Municipal Executive Engineer, Health Officer, 2 Assistant Engineers and the Licensing Officer have all got exceptionally hard work to do every day

In fact from morning till evening they will be busy either with office work or with inspections and other duties in the City They will have to be continuously touring about in the City limits at all hours of the day In times of emergency there is no limit to the amount of work expected of them Besides this is a premier Municipality of the State and to attract efficient officers and to retain them in the service of the Municipality as long as it is possible and to get the full benefit of their experience, it is necessary that the period of their appointment in such a difficult place should to some extent at least be made attractive

On account of the above considerations I would recommend that the Municipal Commissioner, Health Officer, Executive Engineer may be given a duty allowance of Rs 100/- each and the Assistant Engineers as well as the Licensing Officer may be given a duty allowance of Rs 50/- each

This will also not create any invidious distinction between officer and officer as if one of them is given an allowance, there is no ground for refusing it to others whose duties are equally arduous with those of an Officer who is given an allowance
